problem is caused by you downloading a file with a modified date in the future. You should probably not  
ever do that, for obvious reasons. Check the file properties to see the modification time. If it is too early, the  
download will not complete. Himachal Pradesh Chief Minister Virbhadra Singh has set the date of  
Assembly elections in the state on November 19 and the Congress and opposition BJP are already all set to  
go to the polls. But when will the first look at the consumer durables manufactured by the state come in?  
For this we turn to Punjab, which has a massive industry in TV and electronic goods. The state has the  
second-biggest manufacturing base in the country. Its share of mobile manufacturing came in at 24.72 per  
cent, followed by car assembly at 22.36 per cent and textile at 18.57 per cent. Himachal Pradesh currently  
has a tax rate of 5 per cent on fixed assets and annual property tax of 2 per cent. The rates are not high
