. recordings can be played on many Blu-ray disc players without re-encoding, but they are not compatible with HD DVD players. By January 2007 Blu-ray discs. received recognition in more than 500 countries around the world. At the beginning of August 2007 they were adopted as standard in France, Sweden, UK and USA. At the Blu-ray Disc World Market Exchange conference held in September 2006 in Las Vegas, Sony announced its intention to release Blu-ray disc based movies and other HD DVD products. This statement met with criticism from Apple, which opposes any attempt to create
