Customer Support Connect with Us About Amazon Amazon is the world's largest online retailer with over 100 million active customers around the world. Over the years, Amazon.com has grown to become a consumer electronics and technology retailer, offering customers a broad assortment of goods and services from computers and Kindle e-readers to MP3 music and video streaming. Amazon offers its goods and services through its website and through physical stores located throughout North America, the United Kingdom, France, Spain, Japan, and India. In November 2015, the company opened its first shipping facility in the United Kingdom. Amazon seeks to be the most customer-centric company in the world, focus on its customers and continue to grow its business globally. As part of that effort, Amazon continues to innovate on behalf of its customers to meet the broadest spectrum of their needs, and it strives to operate its North American facilities as green spaces, minimizing the impact of its work on the environment. Amazon hopes to begin construction on the new campus in 2016, and to complete construction of the new campus, it expects to invest \$2.5 billion in construction and site preparation and will create 25,000 full-time jobs. The company expects to begin hiring for these positions early in 2016. Need Cash? How much are you worth?
