They are located at 3121 W. Katella Ave. in Orange, California. Meyer Sound employs professional car audio technicians and installers and encourages their customers to purchase their car audio through them. George Meyer, Founder George Meyer was in the car audio installation business since 1964, and is now the proprietor of Meyer Sound. He says he enjoys the gratification he gets when he is selling a good car audio solution to his customers. "I like to sell the car audio solutions that are best for the customer, and I enjoy the job of doing the installation." Car Audio Installation Services Many people do not realize that in addition to being an installer, Meyer Sound is a dealer of d0c515b9f4
