### Fifa 22 Features Key:

- FIFA 22 introduces the new concept of Finishing Skills. Finishing skills react automatically to the actions of your player. They enable pro players to excel through skills like: corner kicks, through balls, headers, dribbles, crosses, and long-distance shots. Finishing skills make it easier for the casual player to reach high and show off their skills for the crowd. Among all of the new Finishing Skills available in FIFA 22, one special finishing skill for players under pressure has been added. This skill ensures all of your special finishes are pro-level ultimate.
- FIFA 22 brings back the Pass Master System, allowing you to kick, pass and shoot with greater confidence and precision than ever before.
- Real-world Player Physics reintroduces player emotion and enthusiasm, while actively changing throughout the game.
- Brand new goal celebrations - FIFA carries on the tradition of football, providing a new set of unique celebrations, showing great team play, and the ability to suit any taste.
- New formation play systems make it easier and faster to achieve the perfect team with just the right players and tactics.
- Six new stadiums and two new locations have been added to The Journey, making your club dreams come to life.
- Get closer than ever to your club and players with the new Club atmosphere and the way you can customize your gameplay experience.
- Chromatic Motion animations give players and crowds on the pitch a renewed feel using sweeping camera angles to complement the day-to-day life and excitement of the game.
- New player contract, player hairstyles and player appearances give players a unique update.
- AI Approaches reacts automatically to threats near the penalty area and identifies the best options to use for next actions.
- Guardiola AI optionally gives you much deeper personalization of your player via the new AI Player Path. Your player always has the best input about the best way to navigate the pitch, getting your plan off to a great start is the key to success.
- Fluid match kicks up the intensity as the game becomes even more frenetic. Full body sprinting and advanced breathing techniques are needed to clear danger zones and to get more control over when to attack.
- FIFA 22 includes an interactive Practice mode, where you can train in real clubs with top teams and coaches. For the first time, you can turn your favorite club into a Pro
